Winter World Masters, Vermiglio, Italy

VIBC master biathletes, Glenn Rupertus and Gary Tate have returned home from Lombardy, Italy where they competed in the 2024 Winter World Masters Games.

The Winter World Masters Games are a multisport event organized under the umbrella of the International Master Games Association (IMGA).

Held every 4 years the event is the most important winter sports event in the world reserved for athletes "over 30". Thousands of athletes, volunteers and enthusiasts will set alight all the various venues of the event which
