Mt Washington Nordic Site INVITATION

## Welcome Message from the Organizing Committee

**Greetings Biathlon Friends:** 

The Vancouver Island Biathlon Club (VIBC) and the Comox Valley welcome you to the Odlum Brown BC Cup Championships, to be held from February 21st—23rd, 2025. Our Organizing Committee and volunteers have worked hard to help you enjoy your biathlon experience on Vancouver Island.

The Vancouver Island Biathlon Club is based in the beautiful Nordic ski area of Mt Washington Alpine Resort near Courtenay, B.C. Mt. Washington has over 55 km of undulating trails revealing spectacular views of Strathcona Provincial Park, the Strait of Georgia, and the Coast Mountains in the Sea to Sky Corridor. Training will take place on Friday, February 21st. However, if you'd like to explore our expansive trail network earlier, you can contact Mt. Washington Alpine Resort to obtain trail passes. If you are keen to take in some unofficial training at our range, be sure to get in touch with us through our club email at <u>vibiathlonclub@gmail.com</u>

Over the years there have been several updates to the area to accommodate you better. Raven Lodge, our Nordic Centre, has food and rentals available. Our range is also one of the largest fully-automated ranges in Canada, with 26 shooting lanes. We hosted several teams for the pre-Olympic training sessions in 2010, an IPC World Cup in 2007 and 2009 as well as a couple of BC Winter Games. We were very pleased to have hosted you for the BC Championships back in 2020 and are looking forward to hosting you again this season.

The Organizing Committee, volunteers, and families wish you the best of luck during this exciting weekend.

Sincerely,

Philip Douglas Competition Lead Vancouver Island Biathlon Club
